

CORPORATE PROGRAMS

PRACTICAL SCHOOL HOLIDAY WORKSHOPS FOR KIDS

Help your working parents when they need it most!

We teach the world's most popular coding languages, robotics and creative thinking programs using our award-winning proprietary curriculum and our exceptional instructors. Extend students' learning beyond the classroom and provide exceptional holiday and after school care options to your school

Meeting your organisational goals:

-  Fosters genuine diversity and inclusion
-  Increases staff engagement and boosts productivity
-  Supports staff mental health and wellbeing
-  Talent attraction and retention benefits
-  Reclaim family time from the post-COVID work-life juggle
-  Proactive strategy to motivate teams' return to office

“ The fabulous team at Junior Engineers delivers real coding in a polished and engaging program that they change up each time. It's great to pop in and see them working, and having fun and to have your kids excitedly show you what they've built at the end of the day.”

Susan Robert-Randazzo
Delivery Manager – Technology,
Data & Labs, Suncorp

Proudly brought to you by **Junior Engineers**

Choose from 15 exceptional digital technologies curriculum!

Robotics, block or text-based coding, app prototyping, Stop Motion, and Cyber security

Block Coding	Text Coding	Robotics	Creative
SCRATCH GRADES 02-06 RANGE BEG-INT	PYTHON GRADES 04-10 RANGE BEG-ADV	ARDUINO GRADES 07-10 RANGE INT-ADV	APP PROTOTYPING GRADES 02-10 RANGE BEG-INT
MINECRAFT GRADES 02-06 RANGE BEG-INT	ROBLOX GRADES 04-10 RANGE INT-ADV	MICRO:BIT GRADES 02-06 RANGE BEG-INT	STOP MOTION GRADES 02-06 RANGE BEG-INT
MINITENDO GRADES 02-06 RANGE BEG-INT	JAVASCRIPT GRADES 04-10 RANGE BEG-ADV	LEGO MINDSTORMS GRADES 02-06 RANGE BEG-INT	STEM EXPLORERS GRADES P-2 RANGE BEG

So easy to implement!

-  Simple setup
-  Choose from digital technologies curriculum
-  **Junior Engineers** manages all admin!
-  Program marketing supplied
-  Working with children checks done
-  User-pays or company funded - you decide

School holidays made simple!

Deliver a meaningful employee benefit during one of the most stressful times for working parents.

“

Our team members love bringing their children into the workplace over the holiday period for a really diverse and interactive learning experience with Junior Engineers.”

Karen Balfe, Virgin Australia.
